

School Climate Control Conference

Teach Respect, Encourage Responsibility and Stop Bullying

School Climate Control For Your School And Classroom

This is a hybrid conference which will run from 9 a.m. until 12:00 p.m. The participants will leave with a link that will allow them to view the final 2 hours of the conference online at their convenience. A manual is included to accompany the video.

When

Thursday, Oct. 25th, 8:30am-12pm

Where

194 Park Avenue Morristown, NJ

More information

This conference will help answer the following questions:

- What are the characteristics of positive classroom/school climate?
- Why is classroom/school climate so important?
- How do I encourage respect?
- What do I do with disrespectful behavior now?
- How do I increase student accountability and build greater student responsibility?
- How does an improved school and classroom climate increase student achievement?
- Why is it so important for kids to feel emotionally safe?
- What do I do with disrespectful and unsupportive parents?
- How can we help the victims cope and deal with a bully?

8:30 - 9:00 - Registration and full breakfast compliments of The Hyatt House Morristown

9:00 am - 12: 00 pm - Presentation on school climate, it's impact on students and staff

12:00 pm - Certificates awarded (5 hours) and link provided for completion of final two hours online

Jim Burns

Facebook

Since 1977 Jim Burns has been working with students who have learning disabilities and behavioral problems. He has almost 40 years of experience working as an administrator, teacher, college instructor, and seminar leaders. He is committed to helping administrators, parents, and teachers establish standards of excellence and help them build successful relationships with their staff, students, and children. In May of 2015 Jim was awarded the degree of Doctor of Humane Letters by Gratz College for his near 30 years of work in the area of anti bullying and student behavior management. He has written and designed The Bully Proof Classroom, a graduate course that is now offered at The College of New Jersey in partnership with The Regional Training Center. This course is endorsed by the NJEA. He has also written "Anti Bullying 101." A book that provides teachers, administrators, support staff and parent's 101 tips on how to achieve permanent help in dealing with unruly behavior and can be used as part of any anti-bullying program. He is available for on sight in-services and keynotes and can be reached at 1-732-773-9855 or jameshburns55@gmail.com
