Bullying facts

1 out of every 4 kids is bullied

1 out of every 5 kids admits to being a bully, or doing some “bullying.”

8% of students miss 1 day of class per month for fear of bullies.

43% fear harassment in the bathroom at school.

100,000 students carry a gun to school.

28% of youths who carry weapons have witnessed violence at home.

A poll of teens ages 12-17 proved that they think violence increased at their schools.

282,000 are physically attacked in secondary schools each month.

More youth violence occurs on school grounds as opposed to on the way to school.

80% of the time an argument with a bully will end up in a physical fight.

1/3 of students surveyed said they heard another student threaten to kill someone.

1 out of 5 teens knows someone who brings a gun to school.

2 out of 3 say they know how to make a bomb, or know where to get the info to do it.

Almost half of all students say they know another student who is capable of murder.

Playground statistics – every 7 minutes a child is bullied. Adult interventions – 4%. Peer interventions – 11%. No interventions – 85%.

1/3 of students in grades 9-12 reported that someone sold or offered them an illegal drug on school property.

46% of males, and 26% of females reported they have been in physical fights. Those in lower grades reported being in twice as many fights as those in the higher grades.

However, there is a lower rate of serious violent crimes in the elementary level than in the middle or high schools

Teachers are also assaulted and bullied. 84 crimes per 1,000 teachers per year.
